- **REGION:** Anderson Valley, CA
- **WINEMAKER / OWNER :** Serge Troxel
- **PROPERTY:** Elke Home Ranch
- **Soil:** Silt Loam
- **Style:** Burgundian
- **Oak:** 40% New Francois Frere

Story: Troxel Family Estate is small production family project. We produce only 10 barrels a year of this sumptuous Pinot Noir. We used four different clones in this vineyard. Firstly we used 50% Pommard-5 which is the backbone of the wine. It dictates the flavor profile and the fruitiness while providing clarity of the mouthfeel and finish. Secondly we used the Elliot clone which originally came from the Elliot Ranch in Napa and is likely Davis clone 103. This provides the nuance and softness. Finally the Stang clone came from the Stang Ranch in Alexander Valley and it provides a structuring effect integrating the clones together and adds depth of character to the wine.
